REPORT OF THE TRUST FUNDS OF THE TOWN OF KINGSTON ON DECEMBER 31, 1955

To the Citizens of Kingston, N. H.

Report of the Trust Funds for the Town of Kingston, N. H. for the year ending December 31, 1955.

We have received two new trust funds during the year. Arthur P. Tucker willed us $200.00 and Mrs. John Stevens gave us $100.00. We are very pleased that these two people co-operated to help make our cemeteries beautiful. We need many, many more.

We have (as of August 26th) marked all plots, that were not previously marked, and that come under perpetual care, with 2" letters - P. C. - cut into the lower right hand corner of the monument; or if there is no monument it was cut into the most prominent headstone.

Last May at our request the Selectmen appointed four citizens of the Town to act with the Trustees of Trust Funds to see what could be done to improve all of the cemeteries as follows:

Representing West Kingston Cemetery, Mrs. William Simes.

Representing Kingston Plains Cemetery, Mrs. Robert Nichols.

Representing Greenwood Cemetery, Mrs. Harold Webster.

Representing Mill Hill, Sleepy Hollow and Reuben Davis Cemeteries, Mrs. Christie Barrett.

We have this year reset or straightened sixty five of the headstones in the Kingston Plains cemetery.

We have drawn up plans and specifications to construct two side driveways in the Greenwood Cemetery at an estimated cost of $400.00. If money can be appropriated we will proceed.

We have plans to remove some of the old fences in the south section of the Plains Cemetery and to provide an adequate driveway so that cars can drive in and out.

We wish to recommend that the Town take over control of the South and West Kingston Cemeteries so that they can be included in the general plans of care and improvement. The older the cemeteries become the more they are neglected and unless some active organization looks out for them they soon deteriorate.

We would like to obtain enough money that all of the cemeteries will be kept green. At the present time some of the cemetery properties look like neglected hay fields and it is time the people of the Town do something about it.

REPORT OF LIBRARIAN

During the past year the circulation has increased by a greater percentage than at any time in recent years. This is in spite of the increase in the number of television sets.

A neighborhood meeting for librarians and library trustees was held at the Nichols Memorial Library on October 13. Fourteen libraries were represented — Epping, Greenland, Hampstead, Hampton, Hampton Falls, North Hampton, South Hampton, Hudson, Kensington, Kingston, Newfields, Newmarket, Plaistow and Salem.

At the afternoon meeting Miss Marjorie Stroud, extension librarian, led a discussion of current library services to children.

In the evening Gardner Soule, extension librarian, spoke of common elements of library planning.

Discussions of current books were given by Miss Stroud in the afternoon and by Miss Catherine Pratt, assistant state librarian, at the evening meeting.

National Book Week was observed at the Library with a Story Hour and instruction in the care of books for the first two grades of the Bakie School.

We wish to express thanks and appreciation to the following for books donated during the year: Mrs. Doris Blanchard, Miss Sally Childs, Mrs. Lawrence Martine, Mrs. Ira Meeks, Dr. Floyd Moore, Mr. Robert Nichols, Roland Perry, Miss Alberta Smith, Miss Mabel Smith, Mrs. Harry Snow and Miss Marjorie Watson.

Respectfully submitted,

GLADYS M. MERRICK,
Librarian.

REPORT OF POLICE DEPARTMENT

Two run away cases, closed.

One violation of probation, closed.

Nine complaints of disturbing the peace, closed.

One hundred and fifty stop sign violations.

Driving under the influence of liquor, closed. Four cases.

No drivers license; four.

Hit and run, two. One still under investigation and one case closed.

Failure to drive right of yellow line, five.

Robbery-two, one closed and one still under investigation.

Aggravated assault with dangerous weapon, two — both closed.

Breaking and entrance, three.

Domestic complaints, Four.

Due to the increase of summer residence, it has lead to the increase of the traffic violations and other violations of the law.

At this time I wish to thank the officers for their cooperation during the past year. Also our telephone exchange service, Mrs. Eleanor Martin and her staff, for prompt and efficient service.

LEO R. VINCENT

Chief of Police

ANNUAL REPORT OF FIRE DEPARTMENT

The department has received and answered 34 calls this year — 7 of these calls were out of town.

Insured losses due to fire in the town were $4,350.00.

The equipment is in excellent condition and should prove ample for several years.

This year we added a 1952 4-wheel drive Willy's Jeep to be used mainly in forestry work. This addition was made possible by the department's share of the profit made on the carnival in which we were invited to participate with the Kingston Veterans Club and the Kingston Lions Club and we wish to take this opportunity to express our appreciation to these two fine civic organizations for the opportunity afforded us.

When this report is printed the Kingston Telephone exchange will have been replaced by dial phone system. This change has necessitated the setting up of a new system of communication for the department and for that purpose a "red line" consisting of ten phones have been installed in the homes of various firemen who are located near the fire station. This line will be used for emergency only. To call out the fire department you simply dial 2-5512; wait until your message is acknowledged and repeated back to you correctly. Be sure you give your name and the location of the fire. This number should never be used for any purpose other than calling out the department.

We of the Kingston Fire Department realize that this new system will in no sense of the word replace the service that we have come to rely upon for 24 hours a day 365 days per year as performed by Ellinor Martin

and her staff and though time and methods change we shall always be deeply grateful to the operators of the Kingston Telephone exchange for their years of faithful efficient service to the community and the department.

WILLIAM G. SIMES

Chief, K. F. D.

ANNUAL REPORT OF THE TOWN PLANNING BOARD

For the Year Ending March 13, 1956

The following members made up the Kingston Town Planning Board for the year 1955.

Glenn B. Cornish	Selectman
Frank W. Foster	Term Expires 1959
George H. Harmon	Term Expires 1958
Robert H. Anderson	Term Expires 1957
Gerard R. Dolliver	Term Expires 1956

At the first meeting of the Board, George H. Harmon was elected Chairman and Robert H. Andersen was elected Secretary, and the general duties and plans for the year were discussed. Subsequent meetings of which there were ten, were devoted to the creation of an official town map as proposed in the Warrant for 1956.

Two suggestions were received which resulted in the hunting regulation proposed in the Warrant for 1956.

At the Town Meeting of 1955, it was suggested that regulations for acceptance of new streets be proposed. A recommended regulation is proposed in the Warrant.

Investigation of collection of taxes resulted in a recommendation of tax deduction for prompt payment.

In addition of regular meetings, the Planning Board met with the Board of Selectman to discuss town dumping conditions and with the Fire Department to discuss problems emanating from the introduction of dial telephone service.

Other subjects which were discussed or suggested for future consideration were: prospects for industrial de-

velopment, the provision of town and street identification, recreational facilities, zoning, Town Hall parking lot, fire regulations, disposition of fire wells, road improvement, school facilities, and the possibility of a single Post Office address for Kingston.

The Kingston Planning Board wishes to express sincere appreciation to the Board of Selectmen, the Kingston Fire Department, the Bakie School teachers, and other people of the Town for their assistance.

Respectfully submitted,

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Kingston:

It is with pleasure that I submit my first annual report to you:

The enrollment by grades this year is as follows:

Teacher	1	2	3	4	5	6	7	8	Total
Mrs. Marion Sanborn	38								38
Mrs. Helen Amazeen		28							28
Mrs. Blanche Gauthier			33						33
Mrs. Sue Pulver				31					31
Mrs. Clara H. Bell					28				28
Mrs. Iva Farrar						19			19
Miss Frances Togus							36		36
Mr. Kenneth Field								20	20
								Total	233

The Bakie School, under the principalship of Mr. Kenneth Field, has successfully carried on a good education program. A great deal of emphasis was stressed on the 3 R's with a supplement of social studies insuring the education of the whole child.

Upon evaluating the educational functions within the school, there are evidences which support the conclusion that the aims of the learning activities are understood by the pupils. Each pupil was urged to work to the best of his inherent ability.

A new and most effective plan has been developed this year in reporting to parents the progress of pupils in grades one and two. The tendency is away from the old-fashioned report card, which reported only such facts as the pupil's scholastic conduct and attendance, and toward a more comprehensive report form containing information on the pupil's habits and character traits. This newer type of reporting, which is character-

ized by attempts at providing more and more information on the pupils are much more time consuming than the former type; however, the teachers and I are agreed that they are worth the extra time and energy. Favorable comment from parents has indicated its need.

It is my hope that in the near future, penmanship may be taught in the elementary grades. Improvement in the handwriting of the children is definitely desired.

Mr. John Scanlan, Guidance Director, was replaced by Mrs. Eugenia Livingston. Her duties have consisted of testing and counselling.

Many thanks to the school board members for giving so generously of their time and energy in preparing a well proportioned budget — a budget that will provide for the educational needs of the pupils and teachers, as well as taking into consideration the financial ability of the citizens.

I wish to thank the pupils, teachers, members of the school board and citizens for their cooperation in making the school year educationally sound.

Respectfully submitted,

GEORGE P. SULLIVAN,

Superintendent

GUIDANCE DIRECTOR'S REPORT

To the Superintendent of Schools, Members of the School Board, and Citizens of Kingston:

The opportunity to present the guidance program for the year 1955-56 is welcome, as it is only with the understanding, support, and help of the administrators and teachers of the school, and the parents and pupils of Kingston that the program can be successful.

The present individual record folders for each pupil will continue to be maintained at the school. A new form of individual pupil cumulative record folder will be considered and decided upon with the aid of the teachers. This record will help meet the felt need for a complete and efficient cumulative record of the pupil's physical, mental, and personal progress. The records are available to the teachers at all times; they assist them to better understand and guide each pupil. These records follow the pupil through his school career.

The counselling testing of individual pupils is being continued and expanded as much as the scheduled time permits. Counseling and individual testing are essential phases of guidance because they help determine: the pupil's capacity to do school work, the cause for behavioral problems, the reasons for lack of interest in school work, and other educational, vocational, and personal matters that prevent a pupil from making a normal progress at school.

Mr. Kenneth Field, Jr., administered the battery of tests to the eighth grade. Mrs. Iva S. Farrar and Mrs. Sue Pulver assisted greatly in the testing of pupils in grades four and six. The following battery of tests was administered to the fourth and sixth grade pupils: reading, arithmetic, language, and mental maturity. Pupils in the eighth grade were tested in mental maturity, reading, interest, clearical speed and accuracy, and me-

chanical ability. The results of the batteries of tests administered in the fall will be discussed with the pupils of grades four, six, and eight. Each pupil will have an opportunity to study his own record in order to learn his strengths and weaknesses and where he may advance.

Individual interviews will be scheduled with the pupils of the eighth grade; the parents of each pupil will be welcome at the time of the interview to discuss the test results and their significance, and to assist in planning the courses for high school, which will lead to a happy and successful career.

Vocational talks by specialists in their respective fields were given to the students in the eighth grade to start the pupils thinking about their future life's work. The talks were started in January and continued at the rate of one a month. The vocations discussed by the speakers are those in which there is a great shortage of personnel in New Hampshire.

Students of Sanborn Seminary also had the advantage of hearing, and conferring with the speakers representing various occupations.

Kingston students presently enrolled at the Seminary were interviewed, counseled, and tested individually, as the need arose, and the scheduled time permitted.

Early in the New Year, plans were made for teachers' guidance meetings to be held at Bakie School. The content of each meeting was designed to meet the needs of the teachers. The meetings should help the teachers attain a broader view of guidance, assist them with their daily problems at school, and the teaching of subject matter through a better understanding of their pupils.

Respectfully submitted,

EUGENIA LIVINGSTON,

Guidance Director

NURSE'S REPORT

To the Superintendent, School Board members, and Citizens of Kingston:

Continued effort is being made to maintain a high standard of health supervision. Due to the cooperation of teachers and parents with the health program, children with discovered defects are promptly treated.

Last year the outstanding accomplishment was the inoculation with Salk vaccine of first and second graders. April has been set as a tentative date for the new polio clinic, which will include the new age group, as well as booster shots for last year's group.

Commendation and thanks are due Mrs. Holmes and Mrs. Towne for their interest and efforts in planning and preparing such fine hot lunches, and to Mr. Cavaric for his diligent and scrupulous care of the school building. These are both important factors in the health status of the children.

Many thanks to the teachers, school board members, parents, and all who make school nurse-teaching a pleasant task.

Respectfully submitted,

CONSTANCE J. HUSS, R. N.

MUSIC TEACHER'S REPORT

To the Superintendent, School Board and Citizens of Kingston:

Once again, I am pleased to submit this, my second report, of the musical growth and progress in your school.

The general objective of music teaching in the grade schools is to cause the original crude, native interest in rhythm and tone, which characterizes practically every child when he begins school life, to develop into a genuine love of good music based on an intelligent appreciation of its moods, its structure and its notation. Such development will take place only if a consistent educational plan is carried out through a series of years and it is with such a plan that I am attempting to deal.

The main avenues of creating a really intelligent love of music are by learning to sing, learning to play an instrument, training oneself in appropriate rhythmic response, learning to read music notation, and creating music.

The net result of this entire program seems to be that if one is to learn to appreciate music one must be a musician. The better a musician one is the better one can appreciate music; therefore we must try to guide our pupils into a more extensive knowledge of music at the same time making the whole experience of studying music so fascinating that they will love the art better and better as they master it more completely.

I am most pleased with the progress being made at Bakie School, and wish to thank all of the students, teachers, parents, and others who make my work so enjoyable.

Respectfully submitted,

SARA JANE CUMMINGS,

Music Supervisor
